

ADAPT 100 Series

Activate your potential

With a stylish, functional headset that works the way you do. Enjoy superior sound and contemporary design with an audio tool that adapts seamlessly to your needs – at your workstation, around the office or on your daily commute.

Experience flexibility and comfort, with a discreet boom arm design, adjustable fit and a choice of large, soft ear pads. EPOS Voice™ technology and a noise-cancelling microphone optimizes speech, and stereo sound for your music at work helps you concentrate on more focused tasks. A convenient solution, the fold flat design and carry pouch make it easy to take with you and boost productivity whatever your working environment. Designed with your wellbeing in mind, ADAPT 100 has the flexibility to adapt to your varied working schedule; performing with excellence to enable you to do the same.
